

Art and Creativity Session

In art we are thinking about nature.

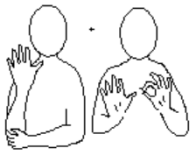

You can...

1. Make a collage using flowers and leaves that you have found.
2. Make a fingerprint flower picture.
3. Make a butterfly using a toilet roll.

Try practising these signs...

tree

leaf

flower

Mime smelling perfume

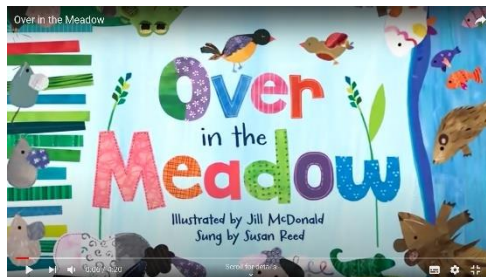

Flutter hands and move them slightly upwards

butterfly

## Activities

Below you will find several suggested activities, please choose the ones which will best suit the needs and interests of your child.

### Nature collage

- Collect some leaves, petals or sticks.
- Use PVA glue to stick onto paper or cardboard.
- Try painting the leaves or using the leaves to print. You can also use sticks or feathers to make marks in paint.

### Fingerprint flowers

- Dip your finger into yellow paint and print 5 yellow dots.
- Wash your finger!
- Use the edge of a lollystick to print a green stalk underneath each yellow dot.
- Dip your finger into green paint and print along the bottom edge of the paper. Wash your hands.
- Choose a different colour paint. Use your finger to print circles for petals around each yellow dot.

### Toilet roll butterfly

- Paint a toilet roll
- Cut out two small hearts for the wings
- Glue the two hearts together and stick onto the toilet roll using PVA glue or sellotape.
- Stick on googly eyes or draw on eyes with a black marker pen.
- Curl the ends of a pipe cleaner and attach to the toilet roll with sellotape.
- Decorate your butterfly using pens, glitter or stickers.
