

# Activities and Clubs Directory

This is a list of external clubs for Strathmore learners and their families.

Club information comes from various sources. We recommend all families regularly check their borough's SEN local offer page.

We want to make it easier for our families to find activities in the local area and thought a club directory is what was needed!

Please let us know of any activities or opportunities that could be added.

**Things to consider when you enquire:**

- What level of learning difficulty does this club cater to?
- Does the club run weekly? What is the duration?
- Can siblings attend?
- Am I able to leave my child there without support or do I/another guardian need to attend?

We recommend that you check with each individual provider what they can provide currently, and how they may have adapted their activities due to Covid-19.
