

Strathmore SDP Priorities 2024-25

Objectives

Priority 1	All 14-19 learners will follow an appropriate learning pathway and make progress towards an accreditation.
Priority 2	All learners will make progress in their identified areas of need through specific evidence-based approaches and strategies.
Priority 3	All learners will make progress from embedding a broad, experience-rich, and age-appropriate curriculum.
Priority 4	All learners will increasingly strengthen their learning because of improved school leadership at all levels.
