

Maths fluency session

Your Maths fluency session will help you practicing your number skills.

Don't worry if you don't have the resources listed below, you can use something similar instead.

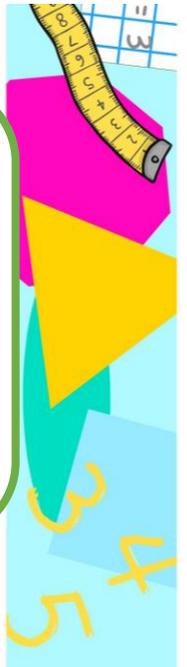

It is important to follow the links in order and remember to touch the objects as you count!

Warm up song

<https://www.youtube.com/watch?v=Aq4UAss33qA>

Counting to three

[Hyperlink to you tube starter video](#)

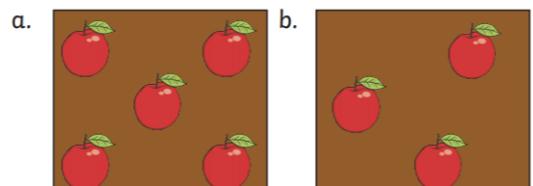

Numberblocks: the three song

<https://www.bbc.co.uk/cbeebies/watch/numberblocks-the-three-song>

Reasoning and problem solving:

Which box has more apples in it?

How do you know?

Extension work

# Spring I Spy and Count to 10

# Counting Worksheet

Count how many Easter eggs there are!
