WEEK 1 SCHEDULE

Time	Mon	Tue	Wed	Thu	Fri

FAMILY CONNECTING ACTIVITIES

MATERIALS

- instruments
 (maracas, drums,
 bells, anything)
- books
- pipe cleaners (variety of colors)

INSTRUMENTS W/ MUSIC

Have each child find an object around the house that can be their instrument. Turn on your favorite song with a beat and let everyone play their Instrument.

Repeat with a different song.

WHAT'S YOUR FAVORITE...?

Each family member sits in a circle together and has the opportunity to say, "What's your favorite....." (food, TV show, treat, book, etc) to the person sitting next to them.

Once one person is done, they get to ask the person next to them another question. Game is over once everyone has had a turn to ask/answer.

HAND CLAPPING GAMES

Learn some hand clapping games to teach your kids. Don't forget to ask any big kids to teach their favorite ones too.

Find hand clapping game ideas HERE

BOOK TALK

Everyone brings their favorite book to the family meeting.

When it is their turn they get to share their book and tell a little bit about the story and their favorite part, favorite character, or favorite picture.

GRATITUDE GAME

Pass out different colors of pipe cleaners. Each person gets to share something they are grateful for based on the color pipe cleaner they get:

Grateful for... Yellow (food)
Red (person) Green (toy)
Orange (place) Blue (anything)

STEM ACTIVITIES

MATERIALS

- Cornstarch
- water
- food coloring
- baking pan
- LEGO bricks
- cups
- eye droppers

- pipe cleaners
- craft stick
- bubbles
- cardboard boxes
- painters tape
- scissors
- oil, vinegar, baking soda

LEGO BUILDING

Give children a large container of LEGO and a LEGO challenge to complete. Young kids can just free build. Ideas:

- Build a tree house out of LEGO
- Build tall rainbow towers
- Build a LEGO car and race it down a ramp
- Build a fairy house

DIY BUBBLE WANDS

Give children pipe cleaners to twist into different shapes of bubble wands. Tape them to a craft stick. Put bubbles in a bowl and use the DIY bubble wands to blow bubbles.

Bubble recipe: 4 cups water, 1 cup corn syrup, 1 cup dish soap

RAINBOW OOBLECK

Combine 6 cups of cornstarch and 3 cups of water and MIX! Divide up oobleck into 6 different bowls. Add a different color food coloring to each bowl. Pour all the colors onto a baking ban or into a plastic bin.

Play! Seal in airtight container when done for repeat fun!

COLOR POTIONS

Take out several clear cups or jars. Add food coloring to some of the jars. Place jars on a baking pan or in a sensory bin. Put oil and water or vinegar and baking soda in the cups for the kids to explore..

Use eye dropper or turkey baster and scoops to mix and explore the materials.

BUILDING WITH BOXES

Give kids boxes and painters tape to make their own creation!

Ideas:

- Make tunnels/bridges
- build a tower

- Make a robot

- make a car ramp

- Make a car

- make a parking garage

CREATIVE ACTIVITIES

MATERIALS

- Salad spinner
- washable paint
- white cardstock
- sponges (or potatoes)
- Aluminum foil
- Sharpies

- Dish soap
- Straws
- Food coloring (or liquid watercolors)
- Large beads
- Optional Fruit Loops
- Pipe cleaners

RAINBOW PRINTS

Cut sponges or potatoes into square chunks.

Dip sponge/potato into different colors of washable

paint and use them to print on paper.

Ideas:

Make a rainbow

Make a pattern

BUBBLE PAINTING

Put washable paint, dish soap, and a couple of inches of water into a bowl.

Have kids blow into the liquid to make bubbles with their straw. Next have them put paper on top of the bubbles to make a bubble print. Repeat with different colors.

ST. PATRICK'S DAY SPIN ART

- Place a white piece of paper into a salad spinner (optional: cut it into a shamrock shape)
- Squirt washable paint on top-variety of colors
- Close spinner lid and spin.
- Remove, admire colors, let dry.
- Repeat

FOIL SHARPIE ART

Give kids a rectangular piece of foil and tape it to the table. Use sharpies to draw pictures and patterns on the foil.

Big Kids: Make a stain glass window by drawing black design outlines and then coloring them in.

BEADING

Give kids pipe cleaners and beads to design a bracelet, key chain, etc.

Big Kids: Use smaller beads Little Toddles: Use fruit loops

SENSORY PLAY ACTIVITIES

MATERIALS

- playdough
- cookie cutters
- dinosaurs
- googly eyes
- pipe cleaners
- dried black beans
- CAT trucks

- dried oats
- plastic Easter eggs
- plastic cups/plates
- sponges/scrubbers
- plastic tub
- water
- scoops

PLAYDOH MONSTERS

Give kids playdough, googly eyes, and pipe cleaners to build their own monsters.

Big Kids: Use playdough monsters to tell a story.

OATS & PLASTIC EGGS

Put dried oats and plastic Easter Eggs into a large plastic sensory bin container. Play & scoop using the eggs.

Optional: Tape funnels to the side of the plastic bin.

PLAYDOH & COOKIE CUTTERS

- Give kids playdough and cookie cutters. Add in rolling pins if you have them.

Playdough Recipe from Imagination Tree:

Mix 2 cups plain flour (all purpose), 2 tablespoons vegetable oil (baby oil and coconut oil work too), 1/2 cup salt, 2 tablespoons cream of tartar, Add 1 to 1.5 cups boiling water. Add in gel food coloring (optional)

BEANS & TRUCKS

Put dried black beans and mini CAT trucks into a large plastic sensory bin container. Play! Drive trucks and haul "rocks" (beans).

Optional: Give kids scoops

WASH THE DISHES

Put plastic dishes and cups in a plastic bin filled with warm water and dish soap. Fill another plastic bin with cold water.

Have children use sponges/scrubbers and soap to pretend play how to wash the dishes.

MOVEMENT ACTIVITIES

MATERIALS

- craft sticks
- markers
- 2 jars
- cardstock
- scissors
- 6 pieces of paper

- hole puncher
- music (Alexa/Google/Apple Music)
- towels
- canned food
- painters tape

NUMBER MOVEMENT GAME

Write numbers 1-10 on craft sticks. Write action movements on 10 other craft sticks.

Ideas: run like a cheetah- hop like a bunny- crawl like a bear- slither like a snake- jump like frog, etc.

Put both sets of sticks in jars. Have kids pick a stick from each jar and then do what they say. (Ex. Do 6 jumping jacks)

FREEZE DANCE

Turn on music and dance!

Stop the music and have the kids freeze. Then start the music and dance again. Call out different ways the kids can freeze (ie. Freeze like a ballerina, freeze on the floor, freeze with your leg up, etc.). This helps kids practice listening.

JOGGING CLUB

Give each child a rectangular piece of paper to decorate. Create a jogging course around your backyard, cul de sac, or garage.

Have children run laps around the designated area. When they finish each lap, give them a punch on their card with a hole puncher. When they've completed 20 laps (over a few days) they can earn a prize/treat.

CIRCUIT TRAINING

Grab your music and 6 pieces of paper. Write different exercises on each piece of paper. Draw a picture to go along with each exercise. Tape the papers to the floor around the room. Ideas: arm circles, jumping jacks, push ups, high knees Turn on the music and stand by one of the signs and do what exercise it says for 1 song. Then rotate.

KIDS YOGA

Lay down a towel on the ground for each kid. Try different yoga poses.

Dog- plank- butterfly- star (stand with arms and legs spread out), tree pose, cobra, etc.

Download FREE YOGA pose cards HERE.

FAMILY CHORE ZONES

KITCHEN 1

- put away anything on counters
- throw away any trash
- wipe down counters
- rinse anything in sink

BATHROOM

- wipe down sinks
- spray and wipe down mirrors
- put away anything on counters
- throw away any trash

LAUNDRY

- sort laundry
- deliver clean laundry to each bedroom
- put dirty laundry in washer

KITCHEN 2

- unload dishwasher
- load dishwasher
- clear off kitchen table
- take out trash/recycling/compost

FAMILY ROOM

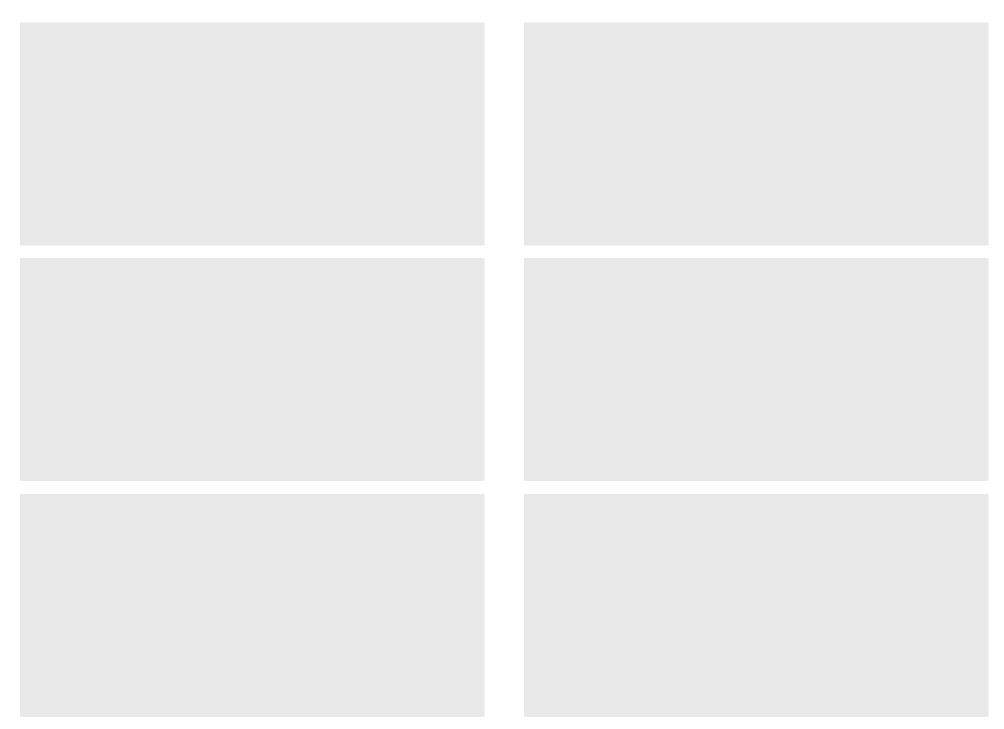

- throw away any trash
- put away any toys
- vacuum the carpet
- vacuum the wood floor
- chop pillows

PLAYROOM

- put away blankets
- put away any toys/books
- throw away any trash
- clean off counters

BIG KIG MATH

Complete at least 1 activity per day. Cross off when done.

Practice math fact flashcards

Math fact hunt & match game

Play UNO with math facts

Roll the dice math fact game Play a math computer game

Make a math fact snack

INDEPENDENT READING

Try at least 1 idea per day. Cross off when done.

Reread a book that you loved

Make a fort and read inside of it

Read in the dark with a flashlight

Read outside

Listen to a book

Read a nonfiction book

SIT BESIDE ME ACTIVITIES

Activity	Details
Foam Stickers	Give your toddler a piece of paper and foam stickers. Show them how to stick them onto the paper.
Save the Dinosaurs	Tape dinosaurs or other favorite toys to the table with painter's tape. Pull off tape. Sort toys by color.
Ribbon push	Give toddler an empty water bottle and handful of colored ribbon. Toddler can push ribbons into bottle 1x1.
Clip Clothespins	Give toddler a dozen clothespins and a basket or bucket. Show toddler how to clip the clothespins onto the basket.
Books & sticky notes	Put several toddler board books into a basket with some sticky notes. Have toddler put sticky notes on fav spots.
Paper & stamps	Give toddler stamps, envelopes, and stamp pads. Have her stamp envelopes & drop them into a box with a slot.
Post It Pull	Stick post its all over the wall or table. Have toddler pull them off the wall/table. Repeat.
Water bin	Put an inch of two of water in a plastic tub. Place it on top of a towel. Add scoops and toy animals. Play!
Pipe cleaner push	Give your toddler a colander & handful of pipe cleaners. Show toddler how to stick the pipe cleaners in the holes.
Paint with water	Give your toddler a paintbrush, colored paper & cup of water. Put paper on baking pan. Let him paint with water.

WEEK 2 SCHEDULE

Time	Mon	Tue	Wed	Thu	Fri

FAMILY CONNECTING ACTIVITIES

MATERIALS

- roll of white paper
- painters tape
- markers
- post-it notes
- poetry book (or print outs)
- stuffed animals
- piece of cardboard

SHARE A PAGE

Have kids bring their favorite book to the family meeting and share their favorite picture or page. Then have them say why it is their favorite.

STUFFED ANIMAL SHARE

Each family member sits in a circle together and brings their favorite stuffed animal. Take turns sharing about your stuffed animal and why it is your favorite.

GRATITUDE WALL

Tape a piece of white paper onto your wall. Have kids of things that they love (and are grateful for). Write each one on a sticky note. Have kids stick them onto the "gratitude wall" (paper on the wall)

LEARN A POEM

Learn a simple poem or nursery rhyme together. Shel Silverstein is one of our favorites!

See if you can come up with hand actions and memorize it too.

PASS THE COMPLIMENT

Use a piece of cardboard to make a pretend cell phone. Have kids take turns calling on the phone and saying a compliment (something nice that they like) about the person next to them.

LITERACY/STEM ACTIVITIES

MATERIALS

- large brown bag
- cardboard box
- scissors
- alphabet letters
- 2-3 eggs
- baking soda
- vinegar
- cups

- food coloring
- large roll of paper
- washable paint
- paintbrush
- plastic eggs
- small balls
- laundry basket(s)
- plastic tupperware

FEED ABC MONSTERS

Draw a monster face on a large paper bag or box. Cut out a mouth. Encourage child to feed alphabet letters through the mouth to the monster.

VOLCANO EGGS SCIENCE

Make a paint mixture with food coloring, baking soda, and a small amount of water. Paint the eggs.

Squirt vinegar onto the eggs and watch the colors stain the eggs. Add additional food coloring if needed.

HUNT & PAINT THE LETTER

Cut a large piece of paper and tape it to the wall.
Write your child's name onto the paper. Call out a
letter in your child's name and see if they can paint it.
Repeat until all letters of the name are painted.

Add patterns and designs onto the letters.

FROZEN EGG SCIENCE

Place several plastic eggs in a tupperware container. Fill to the top with water. Place eggs/water in the freezer overnight. Pop the frozen egg/water creation out of the tupperware and place it on a tray. Encourage kids to help free the eggs from the ice.

SKEE BALL

Use a cardboard box to make a ramp. Use small balls and launch the balls up the ramp into a laundry basket.

Add additional laundry baskets with numbers on them if you can. Play!

FINE MOTOR ACTIVITIES

MATERIALS

- cardstock
- markers
- stickers
- toilet paper rolls
- painters tape
- box of cereal
- plastic bin

- Elmers glue
- cardboard box
- scissors
- ice
- baking soda
- vinegar
- ice cube tray

CEREAL & TUNNELS BIN

Dump cereal into a plastic container. Use stale cereal if possible. Tape toilet paper tubes or plastic cups (with the bottoms cut off) to the sides of the plastic bin for kids to drop the cereal through.

Play and dump!

RAMP PLAY

Use a cardboard box to create a ramp for cars or balls.

Roll cars and balls down the ramp!

MAIL CARDS TO FRIENDS

Use cardstock, markers, and stickers to create cards for family and friends.

Mail them as an act of kindness.

GIANT CUT & STICK COLLAGE

Give kids colored cardstock pieces, scissors, and glue. Tape a large piece of paper to the table. Help kids squeeze glue onto the paper and cut paper scraps to make a giant collage. Cut paper, squeeze glue, stick the paper onto the glue. Repeat.

FIZZY ICE

Mix 1/2 cup baking soda and 2 cups water and fill an Ice cube tray. Freeze till hard (several hours).

Place some ice cubes on a tray. Squeeze vinegar onto the ice cubes and watch the reaction.

SENSORY PLAY ACTIVITIES

MATERIALS

- vegetable oil
- flour
- plastic bin
- plastic toys
- large ziploc bag
- duct tape
- hair gel

- shaving cream
- Elmers glue
- food coloring
- cocoa
- water
- toy trucks
- plastic alphabet letters

PUFFY PAINT

Mix 1 cup shaving cream and 1 cup glue together. Add food coloring. Mix.

Paint onto paper with a paintbrush. Let dry!

MUD & TRUCKS

Mix a cup of cocoa with some water to make "mud." Put the mud in a large plastic bin with trucks or other favorite toys.

Scoop & drive trucks through the mud. You can even set up a car wash to do after the trucks get muddy.

CLOUD DOUGH & TOYS

Mix 8 cups of flour with 1 cup of vegetable oil in a large plastic container. Add in your favorite plastic toys and play!

We love to use dinosaurs, mini CAT trucks, scoops, etc.

SENSORY BAG

Put hair gel and food coloring into a large Ziploc bag. Get as much air out of the bag as possible and then secure it closed with duct tape and tape it to your table.

Let kids squish and play!

ALPHABET SOUP

Place plastic alphabet letters in a plastic tub full of water. Give kids scoops to gather the letters. Play and hunt for letters.

MOVEMENT ACTIVITIES

MATERIALS

- pom poms
- painters tape
- paper towel roll (or pool noodle)
- 2 paper plates
- 4 craft sticks
- balloons

- green & red cardstock
- scissors
- markers
- furniture to use for an obstacle course

BALLOON TENNIS

Tape a craft stick to a paper plate to create a tennis racquet. Repeat so that you have one racquet per player. Blow up a few balloons.

Have kids hit the balloons with the racquets and try and send them around the house.

OBSTACLE COURSE

Use furniture and toys around the house to create an obstacle course for kids. Have kids take turns trying out the course. You can even time the kids and see if they can beat their time.

POM POM PUSH

Make a square on the floor with painters tape.

Drop pom poms all around the room. Have your child use a pool noodle or paper towel roll to push the pom poms into the square.

LILY PAD HOP

Cut green cardstock into lily pad shapes. Tape lily pads to the ground. Write letters or numbers on them.

Encourage kids to jump from lily pad to lily pad and say the number or letter.

STOP & GO

Cut a red and green circle out of cardstock. Tape a craft stick to each circle to create two signs- "stop" (red) and "go" (green).

Go outside with kids (or play indoors). Have kids run around or stop depending on which sign you are holding up.
