

# Size

Practice the key signs:

I

see

big

small

## Starter – Listen and watch

Big Small Action Song for Kids | Learning Opposites | Learn English Children

<https://www.youtube.com/watch?v=ho0jqU6L88U>

## Playdough

Provide your learner with playdough or have a look at the link below for an easy homemade play dough recipe.

<https://www.youtube.com/watch?v=dHKOny3xjCc>

Ask your learner to make big and small balls, shapes, snakes...

## LEGO

Have your child build different towers with bricks or cans of food and compare them.

## Sorting caterpillar

Make two caterpillars that vary in size using recycled materials.

Have your child sort pompons, coins, buttons, pegs or any other item by size.

## Threading

Help your child to practise some great fine motor skills by threading lots of 'big' necklaces and 'small' bracelets.

## Size sort

Provide your learner with a magazine, a piece of paper, scissors, glue and

pencils. Ask him or her to draw the shape of a big and a small hand.

Using hand as a sorting reference, model your learner to cut things from the magazine and sort them into categories.

## Learn online

Read and comment on the story.

Use the communication board to describe the size of the objects (see below)

Goldilocks and the three bears - Kids Stories - LearnEnglish Kids British Council

[https://www.youtube.com/watch?v=Oaw-d3r\\_glc](https://www.youtube.com/watch?v=Oaw-d3r_glc)

## Home Education – Maths Size

Please, find below an **aided language display** board to increase language output during activities.

Ask or model your child to point at the symbols to make one, two, three-part sentences.
