

Numbers

Let's start practising these signs!

Listen to numbers and counting songs:

10 Little Dinosaurs + More | Kids Songs | Super Simple Songs

https://www.youtube.com/watch?v=9XQSFLMpn_c

Numberblocks - Count to Ten | Learn to Count

<https://www.youtube.com/watch?v=k4i6fu0bTQ8>

Count each object

Collect 3 or 5 toys and help your child to count each object in a set once, with one touch per object.

Place your counters...

Create number dot boards and help your child to assign a number of objects to a numeral by placing counters on the dots.

Number line

Provide your child with a number line grid to put numbers in order.

Fun ways to count

Help your child to stay focused while thinking about numbers.

How many?

Ask your child to **label** and **create** sets of objects.

Use the communication board to choose the right numeral (see below)

Number sentences

Draw a part-part whole model to practice addition with your child.

Combine 'two parts' to make a 'whole'

$$3 + 2 = 5$$

$$6 + 4 = 10$$

Practice addition and subtraction with pictures up to 10:

Home Education – Maths Numbers

Please, find below an ***aided language display*** board to increase language output during activities.

Ask or model your child to point at the symbols to make one, two, three-part sentences.

 I	 want	1 1
 see	2 2	3 3
4 4	5 5	6 6
7 7	8 8	9 9
 more	 please	10 10
